Title: Rui Rui Teiryu Published: 8/14/2011 Created by HARA-HARA! Rui Rui Planning

:G I've been productive this year! I started a blog, joined an earthquake relief charity... I feel like I have more time to think about the importance of bonding with other people than ever before. Well... Mirerin here has always been lonely, so~ (´ω`) ...But I digress! There was so much I WANTED to draw this tiiime! Guess I need to work on my time management... (´ω`)

Note: Actually, a thunderstorm wiped out all of my book data... I'm sorry... Aaagh... The third book... Oh jeeze, Oh jeeze...
